## ABOUT PRIMECARD

Primecard is the nation's leading dining, retail, travel and entertainment charge card offering up to 50% savings at participating restaurants and merchants throughout the U.S.

## WHERE IS PRIMECARD HONORED?

The Primecard Charge Card is currently honored at more than 1,000 establishments in New York, New Jersey, Connecticut and Florida, including hotel and resort destinations worldwide. Many new participants are added each month.

## HOW TO ENJOY PRIMECARD'S FANTASTIC SAVINGS

**At restaurants:** When paying your bill at a Primecard participating restaurant, simply present your Primecard charge card for payment to the waiter or cashier as you would a major credit card. The Primecard savings will not appear on your restaurant bill. Primecard gives you the savings on your monthly Primecard charge card Statement. The savings applies to the food and beverage portion of the meal; there is no savings calculated on taxes and gratuities .

**At retail merchants:** When making a purchase, simply present your Primecard charge card for payment as you would a major credit card. Charges in excess of \$300 at non-restaurant locations must be approved by Primecard in advance or at the time of the sale. If Primecard is unavailable to provide an approval, please have the merchant hold the merchandise until Primecard can be contacted.

## HOW DO I PAY FOR MY PRIMECARD CHARGES?

When you sign up for the Primecard charge card, you will designate one of your major credit cards (Visa, MC, Amex or Discover) to use for payment of your monthly Primecard charges. At the end of each billing period, your designated credit card will be charged the applicable amount due. Remember, if you have designated a charge card that earns air miles, you will earn your air miles and receive your Primecard savings — a double bonus!
